& SWITCH TO DIGITAL, PLEASE

DIGITALE VIGNETTE

From 1 December 2026 Digital Vignettes Only for Austria's Motorways and Expressways

With the 2027 vignette year, the traditional adhesive vignette will no longer be available.

WHAT DOES THIS MEAN FOR DRIVERS?

- **Easy Purchase:** Available 24/7 at **shop.asfinag.at**, from around **4,000 sales outlets**, and at approximately **100 self-service machines** across **30 locations throughout Austria**.
- **Still available without an online purchase**
  Even after the transition, the Digital Vignette can be purchased conveniently through tobacconists, toll stations, service stations, and mobility clubs such as **ÖAMTC**, **ARBÖ**, and **ADAC** – no online access required.
- **Please check the validity period:**
  Digital Vignettes purchased from self-service machines, toll stations, or sales outlets are valid immediately. **Important:** Annual Digital Vignettes purchased online at **shop.asfinag.at** become valid only after the legally required **18-day waiting period**.
- **Four proven validity options:**
  Choose the vignette that best suits your journey: 1-Day Vignette, 10-Day Vignette, 2-Month Vignette, Annual Vignette.

TRAVEL WITH CONFIDENCE USING THE TOLL PLANNER
shop.asfinag.at/en/toll-planner-route-planning

MAKING TRAVEL THROUGH AUSTRIA EVEN MORE CONVENIENT

No sticking, no scraping off, easy online license plate changes, full transparency, and a modern, sustainable mobility solution.

The transition will be supported by a comprehensive information campaign both in Austria and abroad.

We are continuously expanding our sales network to ensure that everyone can obtain their Digital Vignette in good time.

Our tip for holidaymakers and travellers:

Make the Digital Vignette an essential part of your travel planning. We recommend purchasing it in advance and planning your journey using the toll planner at shop.asfinag.at.

This way, you can enjoy a smooth, stress-free journey and remain fully compliant with toll regulations from the very first kilometre.
